The notice and agenda are also available on our website: https://digsafe.fire.ca.gov/

NOTE: Items designated for information are appropriate for Board action if the Board chooses to take action. Items may be taken out of order. The Board may not discuss or take action on any matter raised during the public forum period, except to decide whether to place the matter on the notice and agenda of a future Board meeting.

* To the extent possible, and unless otherwise indicated, Board meetings will be accessible via live audio webcast. The webcast is provided as an option for public participation, but the Board is not responsible for unforeseen technical difficulties that may occur. The Board is under no obligation to postpone or delay its meeting in the event such technical difficulties occur before or during the meeting. Public comments on agenda items may be accepted via live audio webcast if feasible, and if the comments are concise and limited in number.

The California Underground Facilities Safe Excavation Board complies with the Americans with Disabilities Act ("ADA") by ensuring that the facilities are accessible to persons with disabilities, and providing this notice and information given to the members of the California Underground Facilities Safe Excavation Board in appropriate alternate formats when requested. If you need further assistance, including disability-related modifications or accommodations, you may contact the California Underground Facilities Safe Excavation Board no later than seven (7) calendar days before the meeting at (916) 568-3823. California Relay Service is available by dialing 711.
