SAN FRANCISCO, CA 94102-3298

Date: April 2, 2021  
Subject: Request from the Joint Utilities for Extension of Time to Provide  
2021 Wildfire Mitigation Plan Reply Comments

On March 31, 2021, the Utilities, which includes the Pacific Gas and Electric Company (PG&E), Southern California Edison Company (SCE), and San Diego Gas & Electric Company (SDG&E), requested an extension of seven calendar days to provide reply comments in response to the comments submitted on the Utilities' 2021 Wildfire Mitigation Plans (WMPs) on March 29, 2021.

Pursuant to Resolution WSD-011, adopted by the Commission on November 19, 2020, the Wildfire Safety Division (WSD) may modify the 2021 WMP schedule as deemed necessary via written notice to stakeholders, subject to the statutory parameters outlined in Public Utilities Code Section 8386(b). The current date of Tuesday, April 6, 2021, to provide reply comments is hereby vacated.

All reply comments in response to comments on the Utilities' 2021 WMPs may now be submitted by Tuesday, April 13, 2021.

The WSD staff are in the process of analyzing and evaluating the Utilities' WMPs and will soon be confirming a later date for the publication of WSD's determination that aligns with this new schedule.

Sincerely
