SUBJECT: NPUA WILDFIRE MITIGATION PLAN

Dear Ms. Torrance,

The San Bernardino County Fire Protection District has completed a review of the Wildfire Mitigation Plan for the Needles Public Utilities Agency. The plan appears acceptable at this time and is approved.

The County Fire District remains available to the NPUA to provide input; and would also welcome notifications and updates regarding utility shutoffs during fire incidents or weather events, or whenever a coordinated effort may be needed from multiple agencies.

Thank you very much for reaching out and allowing us to participate in this planning process. If we can be of assistance in any way, please do not hesitate to contact me.

Yours in fire safety,

Tom Marshall, Assistant Chief
