Re: SDG&E's Supplement to Its 2021 Executive Compensation Submission

Dear Director Jacobs,

In San Diego Gas & Electric Company's ("SDG&E") January 15, 2021 "Documentation of Compliance with Executive Compensation Provisions of Public Utilities Code § 8389(e) and Wildfire Safety Division Guidance," SDG&E noted that it would supplement its 2021 Variable Pay Plan with the associated metrics (minimum, target, and maximum) after they were reviewed by the SDG&E Board of Directors. Attachment A to this Supplement includes the metrics for SDG&E's 2021 Variable Pay elements. SDG&E notes that its Board of Directors has not yet provided final approval of these metrics. If any further changes are made, SDG&E will further supplement its 2021 Executive Compensation submission.

Please contact me if you have any questions or concerns regarding this Supplement.

Respectfully submitted,

/s/ Christopher M. Lyons
Attorney for San Diego Gas &
Electric Company
