**Agenda Item No. 5: 2020 Results Report and 2021 Plan: Staff will present the 2020 Results Report and the 2021 Plan for Board discussion**

Operations Manager Tom Finn presented the 2020 Results Report to the Board.

The 2020 results report detailed the work done by the Board in 2020 and focused on significant accomplishments towards the goals outlined in the 2020 annual plan. The report also highlighted difficulties and other constraints the Board encountered in completing its planned work, specifically adaptations to challenges from the COVID-19

pandemic, and other actions undertaken such as preparations for implementation of Senate Bill 865.

Mr. Marino explained that while the 2021 plan was on the agenda for this item, that item will be heard at the next meeting.

Chair Del Toro asked for comments from the Board.

Chair Del Toro and Member Voss noted they were impressed with the comprehensive 2020 Results Report given the challenges faced and thanked staff for their efforts.

Vice Chair Munoz recognized leadership and staff for their consistency that has led to the Board reaching milestones in the Board's three years.

Vice Chair Munoz thanked stakeholders that have been engaged with the Board during workshops and Board meetings that have helped create a body of work.

Chair Del Toro asked if there were any public comments on this item.

A representative from So Cal Gas asked how many Board member seats were vacant and when the seats would be filled.

Mr. Marino explained there are currently two Board member vacancies both of which are to be appointed by the Governor.

#### **Agenda Item 6: Discussions with Pacific Gas and Electric on Communication with Excavators Pursuant to Public Utilities Commission Decision 20-02-036**

Executive Officer Tony Marino presented the staff report on California Public Utilities Commission (CPUC) decision regarding Pacific Gas and Electric Company (PG&E) locate and mark violations.

California Public Utilities Commission's (CPUC) decision required Pacific Gas and Electric Company (PG&E) and the CPUC's Safety and Enforcement Division to consult with the Board on methods to improve communication between PG&E and excavators.

Chair Del Toro asked for comments from the Board.

Member Bianchini noted he participated in a meeting with PG&E and CPUC with the purpose of discussing better communication between operators, locators, and excavators. Member Bianchini suggested discussing improving industry wide communication issues between locators and excavators, specifically through dig tickets, during the next meeting with PG&E and CPUC.

Chair Del Toro asked if there were any public comments on this item.

PG&E's Director of Damage Prevention and Compliance, Kevin Armato, provided an update on internal procedures and controls around communications and explained that there is a new leadership structure and oversight in the Damage Prevention Organization since the CPUC investigation which will continue to develop a speak up culture within the organization that holds leadership accountable. Mr. Armato explained the actions including audits and training classes that PG&E enacted to improve locating and marking as well as communications with excavators so that they are accurate.

PG&E's Damage Prevention Process Manager, Steve Cleaver, noted PG&E was taking the opportunity to resolve outstanding issues and work to bring a resolution to lingering issues and welcomed suggestions from many stakeholders, including the call centers, since feedback from all involved parties is needed to improve communications.

Todd Bloomstine, a representative for Southern California Contractors Association (SCCA), presented a statement based on the CPUC's Order Instituting Investigation (OII) findings. Mr. Bloomstine highlighted issues with PG&E's ineffective policy related to claim settlements with members of SCCA.

Chair Del Toro called for a recess from 10:41 a.m. to 11:01 a.m.

Chair Del Toro asked for comments from the Board.

Vice Chair Munoz discussed education and encouraged owners across the industry to adopt metrics that will improve safety to Californians and communication between owners and excavators.

Chair Del Toro directed staff to continue conversations with PG&E with how they can improve communications with excavators.

#### **Agenda Item 7: Board Member Public Engagement Reports**

Chair Del Toro asked for Board Member engagement reports. There were none.

#### **Agenda Item 8: Executive Officer's Report**

Executive Officer Tony Marino presented the Executive Officer's report.

Mr. Marino noted that the Pipeline and Hazardous Materials Safety Administration (PHMSA) determined the Dig Safe Board enforcement program as adequate and that the Board will be able to move forward with more Notice of Probable Violations and enforcement actions in the next year.

Mr. Marino provided an update on Senate Bills 865 relating to information sharing between the Board and call centers. Mr. Marino also noted that staff would soon be providing fee information to one call centers for billing of last year's tickets and that since January 1st, the one call centers have been providing the Dig Safe Board with the damage notifications as they come in and will provide all tickets to the Dig Safe Board quarterly.

Mr. Marino provided an update on Protecting our Infrastructure of Pipelines and Enhancing Safety Act (PIPES) Act 2020 that was reauthorized on December 27, 2020 and that the act defines and places requirements on Idle Pipelines. In addition, Mr. Marino explained that the act ordered PHMSA to conduct a study on GIS and other mapping that is performed on gathering lines.

Mr. Marino reminded Board members that form 700 is due April 1<sup>st</sup> and ethics training through the Office of Attorney General is due at that time as well.

Chair Del Toro asked for comments from the Board. There were none.

Chair Del Toro asked if there were any public comments on this item.

A representative from CPUC explained that idle lines are familiar to CPUC as California already regulates idle lines as regulations apply and continue as if the line were active.

Ann Diamond from Dig Alert asked Mr. Marino for an update on Resolution 20-09-02 regarding the Board fees regulation.

Mr. Marino explained the resolution approving revisions to the fee regulation is still undergoing an economic analysis review and following that will be sent to the Office of Administrative Law to begin the public comment period.
