**NOTE:** Items designated for information are appropriate for Board action if the Board chooses to take action. The agenda order is tentative and subject to change. Agenda items may be taken out of order, and items scheduled for a particular day may be moved or continued to another day to facilitate the effective transaction of business. The Board may not discuss or take action on any matter raised during the public comment period, except to decide whether to place the matter on the notice and agenda of a future Board meeting.

This Board meeting will be accessible via live webinar. Public comments on agenda items for those participating will be accepted via text sent through the “ask a question” feature as well as via audio. Those on the webinar who would like to give an audio public comment must indicate their intention to do so by clicking the Raise Hand feature and wait for their name to be called. Those wishing to provide public comment are not required to provide their name and/or e-mail in order to do so. If you do not wish to provide your name, please provide another text identifier so that staff may call on you should you wish to make public comments. Please mute your microphones when you are not speaking. Additional guidance on teleconference access options is available on the Dig Safe Board website at: <https://dig.fire.ca.gov/meetings-business/>.

The California Underground Facilities Safe Excavation Board complies with the Americans with Disabilities Act (“ADA”) by ensuring that the facilities are accessible to persons with disabilities, and providing this notice and information given to the members of the California Underground Facilities Safe Excavation Board in appropriate alternate formats when requested.
