

Category:	Compliance	Process Number:	C-01
Title:	Compliance with Legislative and Administrative Process Requirements		
Adopted:	January 9, 2018	Resolution:	18-01-04
Revision:	January 13, 2020	Resolution:	20-01-03

The policies and processes adopted by the Underground Facilities Safe Excavation Board are built upon the superstructure of existing legislative and administrative requirements which include, but are not limited to, the rulemaking and adjudication provisions of the Administrative Procedures Act, the Bagley-Keene Open Meeting Act, accounting and budgetary provisions of the State Administrative Manual, hiring and personnel requirements of the Department of Personnel Management, and the implementation of these various processes by the Department of Forestry and Fire Protection.

Monitoring Method: Staff
Frequency: Triennial
