

Pursuant to the Feb. 19, 2019 ALJ Ruling Regarding Discovery/Data Requests and Other Supporting Information, Southern California Edison (SCE) provides notice that SCE's responses to data requests and documents referenced in its 2019 Wildfire Mitigation Plan are available at the following link:

[Link to SCE Wildfire Mitigation Plan Discovery Data Requests](#)

Please see the instructions below on how to gain access to all of SCE's discovery in this proceeding to date. The data request responses are located in tab "Data Request Library" and other reference material is located in tab "Reference Document Library." Please also note that pdf file titled "1 - 20190226 SCE WMP DR Question Log," included in the Reference Document Library tab, contains an easy to follow format that identifies what the discovery was about and whether attachments were included in the response.

Instructions to access SCE's discovery:

SCE has given you access to its SharePoint site. You should have received an invitation from: no-reply@sharepointonline.com. Once you click on the link provided in the email, you'll see the prompt shown below. If you have a Microsoft 365 account, please click **Organizational account** and proceed by entering the email that the invitation was sent to. If you only have a personal Microsoft account, then select **Microsoft account**. Otherwise, create a new account by clicking on the link provided in the email.

Welcome to SharePoint Online

To accept your invitation, sign in with a Microsoft account or an account assigned to you by your organization.

Microsoft account

Sign in with the account you use for OneDrive, Xbox LIVE, Outlook.com, or other Microsoft services.

Organizational account

Sign in with the account provided by your work or school to use with Office 365 or other Microsoft services.

Don't have either account? Create a Microsoft account, it's quick and easy!

If you have any issues with access please contact Taryn Ganzer at Taryn.Ganzer@SCE.COM
