Re: **R.18-10-007, Wildfire Mitigation Plan, Request for Extension of Responses to
Wildfire Safety Division, Data Request Set 1**

Dear Ms. Jacobs:

Pacific Gas and Electric Company (“PG&E”) received your March 2, 2020 letter to the service list (“March 2nd Letter”) regarding our response to Wildfire Safety Division (“WSD”) Data Request No. 1. Our team has been working all weekend on the responses and the extension letter. The additional information requested in the March 2nd Letter received this morning has required us to do additional work on our responses and our extension letter. We understand that the request is for close of business today. Our team is working diligently but may not be able to complete the extension letter and the data request responses by 5:00 p.m. We are hopeful to get them to you tonight before 12:00 a.m. Thank you for your consideration and please contact me if that causes any concerns.

Sincerely,

/s/ Jessica Basilio
