Energy Safety to Hold Virtual Public Workshop on Draft Data Guidelines

The Office of Energy Infrastructure Safety (Energy Safety) will hold a virtual public workshop on its Draft Data Guidelines v4.0, Monday December 16, from 9 a.m. to 11 a.m. The virtual workshop will feature a review of the guidelines and provide an opportunity for the public to offer feedback.

The Draft Data Guidelines v4.0 ensure that California's electrical corporations submit uniform information for Wildfire Mitigation Plan (WMP) evaluation and compliance. Energy Safety will present an overview of the changes to the guidelines and take public comment.

The documents to be discussed are:
