Re: WSD-001 Data Request

Dear Director Thomas Jacobs:

In response to your March 2, 2020 letter and the March 3, 2020 conversation with Wildfire Safety Division staff, SCE is unable to provide any further information relating to WSD's February 26, 2020 data request 20200226 by March 6, 2020 for the reasons provided in SCE's 2020-2022 Wildfire Mitigation Plan (p. 22), responses to the WSD-01 data request served on March 2, and SCE's amended March 2 request for extension (included in this email as Attachment 1). However, SCE will continue to provide, to the extent possible, further information that may still be useful in the coming months.

Please let me know if you have any questions.

Very truly yours,

/s/ Gary Y. Chen
